

WHY YOU SHOULD BELONG . . .

The Tennessee Juvenile Court Services Association can help you become more effective in resolving problems with which you are confronted daily.

TJCSA was founded in 1973 by a group of dedicated Juvenile Court professionals interested in improving the juvenile justice system. By joining TJCSA you will have the opportunity to work with other professionals in serving the needs and interest of children in Tennessee.

PURPOSE . . .

★ To provide a vehicle for sharing of solutions to common problems and for developing services to the Juvenile Courts of Tennessee.

★ To create avenues for regular exchange of ideas and techniques employed in the respective areas of administration, detention care, probation services, and court clerk responsibilities.

★ To unite members in the acceptance of a standard of conduct and a code of ethics by which they agree to abide in the performance of their duties.

★ To aid in the development of community programs and services, and to give regional and state wide support to efforts of shared interest being put forth by allied professional organizations.
